## STRAP EATER ACCESSORIES (OPTIONAL)

### STRAP STOPS SET

**\$54.95**  
for set of 4  
plus shipping & handling

Strap Stops are designed with safety and durability in mind. These accessories will prevent your Strap Eater from moving or falling from barrel surfaces during use.

### STRAP STEADY STAND

**\$199.95**  
plus shipping & handling

The ultimate Strap Eater accessory, the Steady Stand holds the Strap Eater directly over barrels or other recycling containers for ease of use. The Steady Stand comes complete with fasteners and is made with a resistant, powder coated finish.
